The RedSands Toyota Land Cruiser Prado is a premium 4WD to help you experience the great outdoors. It is more comfortable on unsealed roads than a standard-hire 4WD and has many more features for you to enjoy those long outback roads.

This vehicle is designed for the adventurer that prefers to stay in fixed accommodation, such as safari tents, lodges and hotels. Our Prado's are equipped with a 32L Engel Fridge. We also provide camping chairs and wineglasses. This way, you can still park up on the beach, enjoy a drink at sunset, before heading back to your accommodation for the night.
